# Report of the Town Clerk.

## WARRANT

Articles to be voted on March 1, 1926.

1st. To choose a moderator to preside at said meeting.

2nd. To act on the reports of the town officers as printed and distributed.

3rd. To hear the report of the committee appointed to have charge of erecting the Memorial Tablet.

4th. To sell the fishing privileges in Palmer's and Cole's Rivers if the Town so votes.

5th. To see what action shall be taken in regards to any communication relative to a high school building.

6th. To see if the Town will accept a colleciton of Indian Relics to be donated by Howard S. Gardner.

7th. To see if the Town will vote to purchase two pumping fire engines of approximately three hundred and fifty and two hundred gallons capacity, one to be located in the southern part of the Town, and the other along the hydrant line, also to purchase sufficient hose for the larger pumper and make an appropriation for the same.

8th. To see if the Town will vote to re-imburse the Montaup Electric Co. for the cost of hydrants installed in the Town.

9th. To see if the Town will vote to authorize the Town Treasurer with the approval of the Selectmen, to borrow money in anticipation of the revenue of the current financial year.

10th. To vote to appropriate such sums of money as may be deemed necessary to defray town charges for the ensuing year.

11th. To see if the Town will indemnify the Commonwealth of Massachusetts against any and all claims for land, grade, and drainange damages which may be caused by or result from the laying out, construction, alteration and reconstruction of State Highway or section of State Highway

in Swansea, and will authorize the Board of Selectmen to sign an indemnity agreement therefor in behalf of the Town, or take any other action in respect thereto.

12th. To see if the Town will vote to macadamize the road beginning on Buffinton Street at the Swansea-Somerset Town line and going westerly about 2200 feet to a point on Stevens Road, provided the Commonwealth and the County of Bristol will contribute one-half the cost, and make an appropriation for the same.

13th. To see if the Town will vote to macadamize Maple Street northerly from the completed section and make an appropriation for the same.

14th. To see if the Town will make an appropriation to complete the work of macadamizing Ocean Grove Avenue as voted last year.

15th. To see if the Town will vote to repair the sidewalk from Gray's Corner to the Somerset Town Line and apprporiate $200.00 for the same.

16th. To see if the Town will vote to build a sidewalk on Gardner's Neck Road, running north and south from the Depot and make an appropriation for the same.

17th. To see if the Town will vote to purchase a truck snow plow and make an appropriation for the same.

18th. To see if the Town will vote to purchase a Power Grader.

19th. To see if the Town will direct the Selectmen to prepare a division of the Town into convenient voting precincts.

20th. To see if the Town will instruct the Selectmen to require an agreement to furnish commercial service before ordering the street lights installed.

21st. To see if the Town will vote to install 14 street lights on Sharp's Lot Road from the end of the line now being erected to the residence of Herbert and Chester Simcock and make an appropriation of $280.00 for the same.

22nd. To see if the Town will vote to install 15 street lights northerly from the residence of Charles F. Williams on Maple Street, through Wood Street and Oak Street to the residence of Marion S. Furtado and appropriate $300.00 for the same.

23rd. To see if the Town will vote to install 12 street lights as petitioned for by the Ocean Grove Improvement Club and appropriate $240.00 for the same.

24th. To see if the Town will vote to install 25 street lights on Haile's Hill Road beginning at the southerly end and make an appropriation of $500.00 for the same.

25th. To see if the Town will vote to install street lights on Baptist Street and make an appropriation for the same.

26th. To see if the Town will vote to instruct the Selectmen to lay out as public ways any or all of the following named private ways: Metacomet Avenue; Macomber Avenue, north of Wilbur Avenue; Mounsey Avenue; Shore Avenue; Elmwood Avenue; Bluff Avenue, between Ocean Grove Avenue and the railroad.

27th. To see if the Town will vote to buy a caterpillar tractor and make an appropriation for the same.

28th. To see if the Town will vote to accept the provisions of Section 1 to 9 inclusive, Chapter 45, General Laws, relative to the election of Park Commissioners.

29th. To see if the Town will vote to make an appropriation for the celebration of Fourth of July.

30th. To see if the Town will vote to grant a license to a bus line that will give service in those parts of Swansea not now accommodated by tranasportation, for Fall River and Providence.

31st. To see if the Town will vote to gravel, roll and oil Warren Avenue from Sturtevant Corner, North Swansea, south to the Barrington Town line, and appropriate $1500.00 for the same.

32nd. To see if the Town will vote to gravel, roll and oil, Louis Street, Bayview Avenue, and Sunny slope Avenue, and appropriate $2000.00 for the same.

33rd. To fix the salaries of all elected town officers.

## ANNUAL TOWN MEETING

### Held March 1, 1926

At the Annual Town Meeting, held March 1, 1926 the following business was transacted:

Albert B. Almy was elected Temporary Town Clerk and was duly sworn.

Article 1. John R. Wood was chosen Moderator and was duly sworn by the Town Clerk.

Before taking up Article 2, Rev. J. Wynne Jones read a set of resolutions in memory of Mr. Henry O. Wood. The resolutions were accepted by a rising vote of respect. The resolutions were as follows:

"We note with deep regret anad much sorrow, the absence from his accustomed place, of one who has served the town and community for years faithfully and well.

In the death of Henry O. Wood, Town Clerk, and sometimes Treasurer, the Town has been bereaved of a painstaking and valuable officer who served it not for the material gain yielded, but for the love he bore it.

Be it therefore resolved that we, citizens of Swansea, in Town Meeting assembled, place on record our profound sense of gratitude for these services."

Article 2. Voted, To accept the reports of the town officers as printed and distributed.

Article 3. Voted, To accept the report of the committee aappointed to have charge of erecting the Memorial Tablet, as printed in the Town Report.

Article 4. Voted, To sell the fishing privileges in Palmer's and Cole's Rivers at auction.

The fishing privilege in Palmer's River was sold to Mr. Algernon H. Barney for $20.00.

The fishing privilege in Cole's River was sold to Mr. John F. Chace for $4.00.

Aritcle 5. Voted, To accept the report of the committee in relation to the High School, appointed at the last meeting. Voted: That the Moderator, Mable Vinnicum and Edwin P. Kershaw, be elected a committee of three with authority to appoint a committee of five to act in reference to Mrs. Stevens' plans as suggested in her communication of February 25, 1926.

In Mrs. Stevens' letter, which was part of the committee's report, she stated that she intends to give a suitable High School to the Town of Swansea, provided her plans are ac-

ceptable to the Town or its duly authorized representatives. That she is now having plans made for a building, but through unavoidable delay, they are not yet completed. She suggested that the Town appoint a committee and authorize it to act in reference to her plans so that the same may be formally presented to the Town at some later special meeting.

Article 6. Voted, To accept the collection of Indian Relics to be donated by Mr. Howard S. Gardner, and to give Mr. Gardner a rising vote of thanks. Voted, To appropriate a sum not to exceed $100.00 to buy a proper receptacle for the relics.

Article 7. Voted, That the ruling of the Chair that the figure "200 gallons" be not changed, was overruled. Voted, To purchase two pumping fire engines of three hundred and fifty gallons capacity each, one to be located in the southern part of the Town, and the other along the hydrant line, also to purchase sufficient hose for both pumpers and to appropriate a sum not to exceed $11,000.00, and that the chair appoint a committee of two to serve with the Selectmen.

Article 8. Voted, To appropriate the sum of $900.00 to reimburse the Montaup Electric Co., for the cost of hydrants installed in the Town.

Article 9. Voted, That the Town Treasurer with the approval of the Selectmen, be and hereby is, authorized to borrow money from time to time in anticipation of the revenue of the financial year, beginning January 1, 1926, and to issue a note or notes therefor, payable within one year with authority to refund said note or notes or any part of them by the issue of other notes maturing within the said period of one year under provisions of Chapter 44, Section 17, General Laws, and any debt or debts incurred under this vote to be paid from the revenue of said financial year.

Article 10. Voted, To appropriate the following amounts to defray Town charges for the ensuing year:

| | |
|---|---|
| School Department | $50,000.00 |
| Highway Department Repairs | 20,000.00 |
| Highway Department, unpaid bills | 600.00 |
| Street Lights | 9,300.00 |
| Town Officers | 3,800.00 |

| Removal of Snow | 5,000.00 |
| Land, grade damage at State Road at North Swansea | 1,965.00 |
| | $104,490.00 |

Article 11. Voted, That the Selectmen be and they are hereby, authorized to enter into an agreement in their discretion on behalf of the Town with the Commonwealth of Massachusetts to indemnify the Commonwealth of Massachusetts against any and all claims for land, grade and drainage damages which may be caused by or result from the laying out, construction, alteration or reconstruction of State Highway or section of State Highway in Swansea, and to sign such an indemnity agreement or agreements in behalf of the Town, and to take such other action as may be necessary or desirable in respect therefor.

Article 12. Voted, To appropriate the sum of $3500.00 already in the Treasury and an additional $3000.00 to macadamize the road on Buffnton Street at the Swansea-Somerset Town line and going westerly about 2200 feet to a point on Stevens Road, provided the Commonwealth and the County of Bristol will contribute one-half the cost.

Article 13. Voted, To macadamize Maple Street northerly from the completed section and to make an appropriation of $6000.00 for the same.

Article 14. Voted, To make an appropriation of $1500 to complete the work of macadamizing Ocean Grove Avenue as voted last year.

Voted, To take up Article 31 next.

Article 31. Voted, That it be left in the hands of the Selectmen.

Voted, To take up Article 26 next.

Article 26. Vtoed, That the Town instruct the Selectmen to lay out as public ways any or all of the following named private ways: Metacomet Avenue; Macomber Avenue,

north of Wilbur Avenue; Mounsey Avenue; Shore Avenue; Elmwood Avenue; Bluff Avenue, between Ocean Grove Avenue and the railroad.

Article 15. Voted, To repair the sidewalk from Gray's Corner to the Somerset Town line and to make an appropriation of $200.00 for the same.

Article 16. Voted, To lay on the table.

Article 17. Voted, To lay on the table.

Voted, To take up Article 27 next.

Article 27. Voted, That the town purchase a caterpillar tractor and make an appropriation not to exceed $3000.00 for the same.

Article 18. Voted, To lay on the table.

Article 19. Voted, That the Town direct the Selectmen to prepare a division of the Town into convenient voting precincts.

Article 20. Voted, That the Town instruct the Selectmen to require an agreement to furnish commercial service before ordering street lights installed.

Article 21. Voted, To install 14 street lights on Sharp's Lot Road from the end of line now being erected to the residence of Herbert and Chester Simcock and to make an appropriation of $280.00 for the same.

Article 22. Voted, To install 15 street lights northerly from the residence of Charles F. Williams on Maple Street, through Wood Street and Oak Street to the residence of Marion S. Furtado and to make an appropriation of $300.00 for the same.

Article 23. Voted, To install 12 street lights as petitioned for by the Ocean Grove Improvement Club and to make an appropriation of $240.00 for the same.

Article 24. Voted, To install 25 street lights on Hailes' Hill road, beginning at the southerly end and to make an appropriation of $500.00 for the same.

Article 25. Voted, To install 10 street lights on Baptist Street and to make an appropriation of $200.00 for the same.

Article 28. Voted, To accept the provisions of Section 1 to 9 inclusive, Chapter 45, General Laws, relative to the election of Park Commissioners. A ballot vote was taken: 57 votes were cast, 27 for No, 30 for Yes.

Article 29. Voted, That the Selectmen appoint a committee of five to have charge of the Fourth of July celebration, without incurring any expense to the town.

Article 30. Declared an error, and the Chair ruled it out.

Article 32. Voted, To lay on the table.

Article 33. Voted, That the salaries of the elected officers be the same as last year.

Voted to adjourn.

ALBERT B. ALMY, Town Clerk.

---

At a Special Town Meeting of the inhabitants of Swansea, held June 18, 1926, the following business was transacted:

Article 1. John R. Wood was elected Moderator and was duly sworn by the Town Clerk.

Article 2. Voted, To accept the report of the Committee appointed at the Town Meeting of March 1, 1926, relative to the erection of a high school building by Elizabeth R. Stevens as a gift to the Town, as read by Mr. A. Edgar Hanson, which was as follows:

To the Town of Swansea at the Town Meeting, June 18, 1926:

Your committee has notified me that it has approved my plans and specifications for a public high school building to be erected on Town land on the north side of the main road in Swansea Village. The work of drilling a well is now under way, and if an adequate water supply is found, I am prepared to proceed immediately to erect, equip and give to the Town a building in substantial conformity with said plans and specifications.

The gift will be unconditional except that the building is to be named, "Joseph Case High School."

I am, yours truly,

ELIZABETH R. STEVENS.

It was also voted that the committee be discharged.

Article 3. Voted, unanimously, That the Town accept from Mrs. Elizabeth R. Stevens a gift of a High School building to be erected by her on the site on Main Street acquired and owned by the Town for such purpose, the building to be known as the "Joseph Case High School" and to be erected in substantial conformity to plans and specifications

submitted by said Elizabeth R. Stevens, which plans and specifications are hereby accepted.

A rising vote of thanks was given Mrs. Stevens for her gift.

Article 4. Voted: To correct an error in appropriation to macadamize the road beginning on Buffinton Street at the Swansea-Somerset Town line, going westerly about 2200 feet to a point on Stevens Road, providing the Commonwealth of Massachusetts and the County of Bristol contributes one-half the cost, made under Article 12 of the Warrant at the Annual Town Meeting, held March 1, 1926, by rescinding the same and in place thereof Voted, To appropriate $6500.00 for said purpose.

A ballot vote was taken; 63 votes were cast, 59 for Yes, 4 for No.

Article 5. Voted, To accept the layout and widening made by the Selectmen of Buffinton Street and Stevens Road at the intersection of Bark Street and to appropriate a sum not to exceed $1500.00 to pay damages caused thereby.

A ballot vote was taken, 73 votes were cast, 73 for Yes, 0 for No.

Article 6. Voted, To accept the report of the Selectmen regarding the division of the Town into voting precincts.

The following paper was read:

Acting under the direction of the Town by vote passed at the Town Meeting held the first day of March 1926, and under provisions of Section 6 of Chapter 54 of the General Laws, the Selectmen have prepared a division of the Town into two voting precincts defined and bounded as follows:

Precinct 1. All of the Town not included within the boundaries hereinafter described as Precinct 2.

Precinct 2, beginning at a point in the west shore of Lee's River and in the northerly line of premises commonly known as the Newhall Farm; thence westerly by said northerly line of said Farm to the channel of Cole's River; thence southerly and southwesterly by Cole's River to the middle of Wilbur Avenue at the centre of Wilbur Avenue Bridge; thence westerly by the middle of Wilbur Avenue to the Rhode Island line; thence southerly by the Rhode Island line to Cole's River; thence by Cole's River, Mount Hope Bay, and the westerly shore of Lee's River to the point of beginning.

Number of registered voters in Precinct 1 608

Number of registered voters in Precinct 2 359

Witness the hands of the Selectmen, this twenty-seventh day of April 1926.

FRANCIS L. GARDNER,
LEWIS S. GRAY,
AMOS F. MAKER,
Selectmen of Swansea.

Received and filed April 28, 1926.
ALBERT B. ALMY, Town Clerk.

Voted to adjourn.
ALBERT B. ALMY, Town Clerk.

At the Special Town Meeting of the inhabitants of Swansea held October 30, 1926, the following business was transacted:

Article 1. John R. Wood was chosen Moderator and was duly sworn by the Town Clerk.

Article 2. Voted, To accept the location for the layout of a proposed new state highway to be located in the northerly section of the town as shown in Route No. 1. A ballot vote was taken. The whole number of votes cast were 136; Route No. 1—98 votes; Route No. 2—38 votes; Route No. 3—0 votes.

Article 3. Voted, To accept section 20 of Chapter 39 of the General Laws, establishing precinct voting for Town Officers at Annual and special elections and for voting on the question of granting licenses for the sale of certain non-intoxicating beverages, and to authorize the voting by precincts at special elections of Town Officers.

Article 4. Voted, To accept Section 23 of Chapter 39 of the General Laws, providing for election of Town Officers and the vote on the question of granting licenses for the sale of certain non-intoxicating beverages at a date different from the annual Town Meeting for the transaction of other business.

Article 5. Voted, To amend Section 2 of Article 1 of the By-Laws so as to fix the first Monday in March as the time of the election of Town Officers and the vote on the question of granting licenses for the sale of certain non-intoxicating

beverages, and the second Monday in March as the time for the Annual Meeting for the transaction of other business.

A ballot vote was taken: whole number of votes cast were 58; Yes—54; No—4.

"Section 2. The annual town election shall be held on the first Monday of March, and the Annual Town Meeting shall be held on the second Monday in March, in each year."

Article 6 and 7 were ruled out of order by the chair. His decision was appealed. The House was in favor of the Chair, so both Articles were ruled out of order.

Article 8. Voted, To appropriate the sum of $1000.00 to provide for the temporary housing of the fire apparatus until the Annual Meeting in March, 1927.

Article 9. Voted, To buy the remainder of the so-called Eddy land, situated south of the stream, now owned by Mrs. Elizabeth R. Stevens, for school purposes and to appropriate the sum of $1000.00 therefor. A ballot vote was taken. Whole number of votes cast were 54; Yes—54; No—0.

Article 10. Voted, To make an appropriation of $3840. to pay awards made by the Commonwealth for land, grade and drainage damage by reason of the construction of the new state road from Somerset line to Gardner's Crossing. A ballot was taken. The whole number of votes cast were 56. Yes—56; No.—0.

Voted to adjourn.

ALBERT B. ALMY, Town Clerk.

# Report of the Fire Apparatus Committee.

In accordance with a vote passed at the last annual Town Meeting whereby an appropriation was made to purchase two automobile pumping engines of 350 gallons per minute capacity each, together with sufficient hose for both, your committee appointed to purchase same beg to make the following report:

Your committee visited the fire stations of six companies in Massachusetts and Rhode Island having apparatus of about the same capacity as called for here. Much valuable information and advice was received from the departments in different cities. Specifications were drawn up and proposals called for by advertising in two Fall River newspapers. The proposals were publicly opened April 2, 1926, twelve bids being received from seven Companies. The contract was awarded to the Combination Ladder Company of Providence at their bid of $10,990.00 for two Triple Combination Pumpers mounted on Reo 6 cylinder, one and one quarter ton new model chassis. One pumper to be equipped with 1000 feet of hose (the other to receive the 1000 feet of hose then owned by the Town.) Each piece to be equipped with booster tank of 75 gallons capacity and 200 feet of booster hose, four lengths of suction hose. 30 foot tripple extension ladder, roof ladder, folding ladder, and miscellaneous equipment of such tools and attachments as will be needed in the work of fighting fires.

Also, rubber coats, hats and boots. Pumps being guaranteed to pass an Underwriters Test of three hours.

The certificates received from the officials of the New England Insurance Exchange who made the test, show that both pumpers develop a capacity much above that required.

Both pieces of apparatus were delivered to the Town by the first week of July.

Respectfully submitted,

FRANCIS L. GARDNER
LEWIS S. GRAY
AMOS F. MAKER
JAMES W. MURPHY
HERBERT W. HAYES

Committee.

The board of trustees met on March 30, 1926 and organized as follows: chairman and treasurer, Dr. E. C. Kellogg, secretary, Mrs. Emma F. Anthony, committee on janitor and repairs. A. Homer Skinner and Dr. E. C. Kellogg, book committee, Miss Mary A. Case, Miss Mary B. Wood, Mrs. Emma F. Anthony, A. Homer Skinner, Dr. E. C. Kellogg, Mr. Carl Buffington and the librarian, Miss Julia R. Wellington; fuel committee, Dr. E. C. Kellogg; Miss Julia R. Wellington was re-elected librarian and Miss Ruth B. Eddy as assistant.

The trustees take this opportunity to thank all those who by gifts, and in various ways have been a real aid to the library. Two bulletins were issued during the year, in May and November and many must have noted the small number of books listed on our so-called Fall bulletin. From lack of funds, no books could be bought until a much later date and the generous donation of $50.00 by Miss Mary A. Case, a member of the board of trustees, was much appreciated.

Because of the illness of Mrs. Emma F. Anthony, the board appointed Miss Mary B. Wood secretary pro tem.

We would call to your attention the pressing need of a larger appropriation at the March Town Meeting. If the library is to continue to hold its good reputation both in its building upkeep and in its supply of books to meet the demands of pupils and the general public, will you please support its financial needs by an apppropriation of $900.00 for the ensuing year.

MARY B. WOOD,
Secretary pro tem.

# Librarian's Report.

To the Board of Trustees of the Swansea Free Public Library for the year ending December 31, 1926:

The Swansea Free Public Library has served the townspeople well, during the past year. Although our statistics show a decrease of 1,203 in the circulation, this has been caused by the death of many of our patrons and by the depletion in the number of subscribers, there being but 9 as compared to 13 in 1925.

However, the work has broadened in other ways, in that our reference department has served a greater number of college students; also, high school pupils now attending at Somerset and Fall River. Also, with their required book reports, we have endeavored to furnish both fiction and non-fiction to meet their needs. Many of the books on the list are not in our library and there is a real need for additions and in some cases, duplicates, to satisfy the demand. With the completion of the Joseph Case High School, the requirement will be still greater.

The pupils of the Stevens School still continue to come at recess, Wednesday afternoons. Many new cards have been issued as each year brings 7th and 8th grade pupils from distant parts of the town. We have been pleased to note that some interest is being shown by pupils residing in South Swansea. We acknowledge our appreciation of books, magazines and pamphlets donated to us. Mrs. Emma F. Anthony donated Literary Digest, Mrs. Clinton O. Brown, the Woman's Home Companion, Miss Mary A. Case, the National Geographic and the Atlantic Monthly, Miss Ruth B. Eddy, the Delineator.

The number of volumes in the library at last report was 10,196. The total number of volumes added in 1926 was 196: by purchase 175, by gift 21; one book was withdrawn, making a total of 10,391.

The number of volumes issued for home use from the library was 4,653; from North Swansea Station, 1,141, from

Swansea Center Station 1,220; making a total circulation of 7,014. The number of magazines issued for home use was 123.

The number of new signatures was 54. The number of subscribers (out of town people) was 9.

Attendance in reading rooms, 730. Number of reference books used, 225. The library was open 103 days. Closed on Christmas Day.

Bulletins No. 60 and No. 61 were issued in May and November. The latter contained a much smaller list than usual, because of a lack of funds. The generous gift of $50 donated by Miss Mary A. Case, enabled us to purchase more than we expected.

Miss Ruth B. Eddy was a faithful assistant and Miss Aleena Anthony served well during the month of July, while Miss Eddy was absent.

There is a need for a cabinet for cataloging the books in the children's department. The matter was deferred in 1924 and also in 1925.

There is also a need for shelves. The upstairs portion of the Library building could be well utilized as a stack room, if fitted up with steel shelves. Books not in constant demand could be placed there and relieve the congestion in the regular department.

The librarian wishes to thank the trustees and assistants for their co-operation in furthering the work.

Respectfully submitted,

JULIA R. WELLINGTON,

Per R. B. E.

# Report of the Schoo Committee.

To the Citizens of Swansea:

The School Committee herewith submit for your consideration and approval, their annual report of the general conditions in our school system for the fiscal year ending December 31, 1926 and the school year ending June 30, 1926.

Mr. Dexter E. Horton of North Swansea was elected for the three year term at the annual town meeting in March. Shortly after, the organization was held, with Mr. Arnold D. Gardner re-elected as chairman and Supt. H. F. Bates, secretary. The usual twelve monthly meetings, six special meetings, two meetings with the Joint Board for School Nurse (Seekonk, Somerset and Swansea) and one meeting with the Joint Board for School Nurse (Somerset and Swansea) have been held.

The general conditions in our schools have been excellent during the past year, all members of the department having worked faithfully with a spirit of helpful co-operation for the best interests of all concerned. The schools have been carefully inspected by your committee to the end that teachers and pupils might have the best working conditions possible.

During the summer the Stevens School was refinished on the outside and inside. The excellent appearance of this school reflects much credit on the donor, as it has stood up under constant use for eighteen years without apparent deterioration. The Gardner School was painted on the outside. The North School received interior painting. Iron grills were installed on the basement windows at Stevens School and Bark Street School, thus doing away with continued accidents to windows because of playground activities. Minor repairs were taken care of in the other schools. Our schools are now in first class condition.

Again the transportation of school children has been well managed by Benjamin F. Norton on the North Swansea route and D. Frank Baker on the Hortonville route.

With deep regret we record the deaths of three members of our department. On April 21, 1926 after a long illness,

Miss Demaris Weeden, for three and a half years school nurse for Somerset, Seekonk and Swansea, died at her home in Swansea. Miss Weeden endeared herself to all by her cheerful, pleasant manner. She made an excellent beginning of health work in our schools.

Mr. Simon LeBlanc, janitor of the Gardner School for a year and a half, passed away at his home in Ocean Grove, September 24, 1926. He was a faithful and thoroughly conscientious employee of our department.

Mr. Arthur Chilton, janitor of the Bushee Corner School, died at his home in August after a brief illness. For several years he has been the faithful caretaker of the Bushee Corner School.

The Joint Board for School Nurse (Somerset, Seekonk and Swansea), was dissolved by mutual consent in December 1926 after five years of amicable relations. Seekonk withdrew to form a union with Rehoboth. All the members of the union felt that more time should be given to the work of the school nurse. Somerset and Swansea formed a new union with Arnold D. Gardner as chairman and Rev. Frank H. Gardner as secretary. Mrs. Esther M. Young has been engaged as school nurse for a term of a year and a half, beginning January 3, 1927 and ending June 30, 1928, at a salary of $1,800 per year, three-fifths of which will be paid by Somerset and two-fifths by Swansea.

The gift of the Joseph Case Memorial High School to the town last spring by Mrs. Elizabeth R. Stevens will solve the problem of the placement of our grammar school graduates which has perplexed the school department for the past decade or more. Begun in the summer of 1926, the corner stone of the new building was laid with appropriate ceremonies by Mrs. Stevens, the donor, on September 13. This fine building, a very generous gift to our town and the cause of education, will properly round out our system of education, enabling us to put four years of local secondary education upon the foundation of our elementary system.

As the town of Somerset kindly accepted fourteen of our grammar school graduates at their high school in September and as sixteen passed the examinations (together with four pupils from outside) and entered the James M. Morton Junior High School in Fall River, we have made adequate provision for the class of 1926, so that they may enter the Joseph Case Memorial High School in September 1927 without loss. This is a banner year for pupils in high school, as we have 85 distributed as follows: Fall River High School, 44 pupils; James

M. Morton Junior High School, 20 pupils; Somerset High School, 20 pupils and Warren High School, 1 pupil.

Many changes in our teaching force have been found necessary during the year, two teachers having resigned to be married and several to enter the Fall River system. We have had three applications this year of local girls who are graduates of normal schools. Our policy is to encourage local girls to obtain professional training commensurate with the standard set by the State Department of Education (two years or more above the secondary school) in order that we may build up in the town a permanent force of adequately trained teachers.

The following changes have been made during the year: Miss Mary H. Wiley of Fall River, Bridgewater Normal 1926 (three year course) principal of the Stevens School and grammar room teacher; Miss Eleanor R. Reardon, of Swansea, Bridgewater Normal 1926, teacher of the Stevens Primary room; Miss Eva H. Hilton of Swansea, Bridgewater Normal 1926, teacher of Gardner Primary room; Miss Margaret A. Donnelly of Fall River, Hyannis Normal 1926, teacher of Gardner 5th and 6th room; Miss Doris Tripp of Fall River, Framingham Normal 1926, teacher of the Bark Street Intermediate room and principal; Miss Margaret R. Sullivan of Fall River, Bridgewater Normal 1926, teacher of the Bark Street Primary room; Miss Lois A. Cole, of Swansea, Bridgewater Normal 1926, teacher of the Center School; Miss Mary A. Bates, Hyannis Normal 1925, teacher of the North School after the resignation of Miss Ruth Macomber; and Miss Anna H. Kelleher of Fall River, Framingham Normal 1926, teacher of the Bushee Corner School.

The new janitors elected to fill vacancies caused by death are: Alton Holmes, Gardner School and Miss Hortense Mello, Bushee Corner School.

By a change in the School Laws the town again received for 1926, the sum of $996 on account of superintendent and it will receive in March 1927 the reimbursement for high school expenses, amounting to over $6,000, which was not available the past year. The town received from the State in November of this year $2,825.00 on account of teachers' salaries.

Following this report you will find a more detailed report of the condition of our schools in the reports of Supt. H. F. Bates and the special reports.

Again we have had a good year financially ending the period with all bills paid and a balance from our appropria-

tion of $2,807.92. For the year 1927 we are asking for $54,000.00.

## FINANCIAL STATEMENT FOR THE FISCAL YEAR 1926 AND PROPOSED BUDGET FOR 1927

| | Spent 1926 | Estimated Needs for 1927 |
|---|---|---|
| 1. General Expenses of Administration | | |
| *School Committee* | | |
| Salaries | $ 235.00 | $ 235.00 |

| Salary | 1,599.84 | 1,600.00 |
| Expense and Enforcement of Law | 305.45 | 350.00 |
| 2. Instruction | | |
| *Teachers* | | |
| Salaries, Elementary | 17,979.04 | 18,500.00 |
| Salaries, High School | | 3,000.00 |
| Text Books, Elementary | 768.10 | 500.00 |
| Text Books, High School | | 700.00 |
| Supplies, Elementary | 1,131.83 | 500.00 |
| Supplies High School | | 445.00 |
| 3. Operating Expenses | | |
| *Janitors* | | |
| Elementary | 2,628.75 | 2,800.00 |
| High School | | 600.00 |
| *Fuel* | | |
| Elementary | 1,592.77 | 1,700.00 |
| High School | | 500.00 |
| *Miscellaneous Operating* | | |
| Elementary | 375.86 | 400.00 |
| High School | | 150.00 |
| 4. Maintenance | | |
| *Repairs* | | |
| Elementary | 1,612.95 | 1,200.00 |
| 5. Health | | |
| *Inspection* | | |
| School Physician | 150.00 | 150.00 |
| School Nurse | 622.91 | 770.00 |
| 6. Transportation | | |
| Elementary | 2,350.00 | 2,350.00 |
| High School | 5,704.79 | 5,000.00 |

| | | |
|---|---|---|
| 7. Tuition | | |
| High School | 8,580.63 | 8,800.00 |
| Continuation and Vocational | 703.68 | 800.00 |
| 8. New Equipment | | |
| Furniture, etc. | 173.85 | 1,500.00 |
| 9. Insurance | | |
| Schools and Busses | 550.63 | 500.00 |
| 10. Sundry and Transfer | | 800.00 |
| | $47,192.08 | $54,000.00 |

## STEVENS SCHOOL FUND STATEMENT FOR 1926

| | |
|---|---|
| Received for the year | $1,057.50 |
| Expended | 457.50 |
| Credited to the Cumulative Account | $600.00 |

### Stevens School Cumulative Account

| | |
|---|---|
| Balance reported December 1925 | $1,902.60 |
| Interest added during 1926 | 81.95 |
| Total December 1926 | $1,984.55 |
| Available from 1926 balance | 600.00 |
| Balance on deposit in bank | $2,584.55 |

Respectfully submitted,

ARNOLD D. GARDNER, Chairman
A. EDGAR HANSON
DEXTER E. HORTON
School Committee of Swansea.

# Report of the Superintendent.

To the School Committee,
Swansea, Mass.

Gentlemen:

As Superintendent of the Swansea Schools I take pleasure in submitting herewith my fifth annual report.

## A FIVE-YEAR RETROSPECT

In the five-year period from 1922 to 1926, the number of pupils has increased from 442 in 1922 to 555 in 1926; the annual appropriation has increased from $41,000 in 1922 to $50,000 in 1926. By building the Gardner School in 1923, six modern school rooms and a fine auditorium were added to the school system. Our health program, begun in 1922, has now been functioning satisfactorily for five years, until today more time is needed for this work. Time will not permit the enumeration of the many modern improvements that have come to our schools since 1922, suffice it to say that our children have a fine opportunity to receive an adequate elementary education in the schools of today. Our schools are growing, not only in number of pupils enrolled each year, but also in material betterments that afford both teachers and pupils improved conditions. With 542 elementary pupils enrolled Dec. 1, 1926 and 85 high school pupils sent out of town, we are caring for the education of 627 pupils at this time.

## A MAGNIFICENT GIFT

The gift of the Joseph Case Memorial High School to the town by Mrs. Elizabeth R. Stevens, to be ready in September 1927, is the outstanding feature of the year 1926. We have great cause of rejoicing at this munificent gift from our patron of education, Mrs. Stevens. The last rungs have now been placed in the town's educational ladder, ensuring to all future graduates of the grammar schools, four years of secondary education, disregarding henceforth their ability tc hurdle the barrier set up for many years by Fall River.

## CONSOLIDATION

The question of consolidation of outlying schools and transportation to central schools calls forth many arguments for and against. Many educators are opposed to the transporting to distant schools of little children in the three lower grades. Our outlying schools are now greatly reduced in grades taught. There are four grades at Hortonville and the North School and five grades each at Barneyville, Bushee, Bryant's Corner and Center School.

## SCHOOL CENSUS

The report of the school census, as of October 1, 1926 by a change in the law, is as follows:

| | Boys | Girls | T'tl |
|---|---|---|---|
| Children between the ages of 5 and 7 years | 71 | 68 | 139 |
| Children between the ages of 7 and 14 years | 233 | 223 | 456 |
| Children between the ages of 14 and 16 years | 55 | 58 | 113 |
| Totals | 359 | 349 | 708 |

## SCHOOL ATTENDANCE

No factor is more important in considering efficiency in school administration than regular attendance. Unfortunately many of the parents are unable, through economic necessity or failure to understand the value of each school day, to send their children regularly to school. Although bus transportation theoretically improves attendance, it often works out the other way. If a child is not on the corner when the bus is due to arrive, he loses not only the morning session, but the whole day. For 1925-1926 our average attendance was below the 1924-1925 standard, 91.10 as compared with 93.29. Mrs. Cora W. Allen's Stevens Grammar room led the town for the year with 94.70 per cent. Now and then an epidemic of whooping cough greatly reduces the attendance of the smaller children. The Stevens Primary School suffered in this respect last year and Bushee Corner and the North School this Fall.

## THE TEACHING FORCE

The greatest lack in our system today is a permanent corps of professionally trained teachers of experience, working under a graduated salary schedule. High standards of attendance, educational achievement and conduct are difficult

to maintain where a school has a new teacher every year. For the school year 1926-1927 our teachers show experience as follows:

| Years of Experience | No. of Teachers |
|---|---|
| 26 years | 1 |
| 10 years | 1 |
| 6 years | 1 |
| 5 years | 1 |
| 4½ years | 1 |
| 1 year | 4 |
| 0 years | 8 |
| | 17 |

Twelve out of 17 teachers have one year or less of experience. As we now have seven local teachers, professionally trained, it is apparent that the above conditions may soon be changed as the years go by and more local teachers, graduates of normal schools are available.

## THE ELEMENTARY CURRICULUM

From the State Department we have received and put into the schools during the past year courses of study in Mathematics for junior high schools and in Geography. In Arithmetic we are following the Stone-Millis course, putting in the new Stone when the older books are worn out. In Spelling we are using the Horn-Ashbaugh course which is admirably adapted for minimum drill work. Other courses are expected from the State Department in a year or so.

## READING

A standard test in Silent Reading given to various grades from time to time, reveals the fact that many children are trained to read words, not to get the thought from the printed page. It is not uncommon to find a bright pupil getting a perfect score, while another gets zero, or a minimum score. The results show that Silent Reading for thought—getting should be emphasized by the teacher rather than oral reading for pronunciation or mere word sounding. For several years we have been building up school libraries with the idea of furnishing an abundance of good reading material to each grade, as well as the usual basal texts. Only as children have access to plenty of worth while books and as they are trained in proper reading habits, will real love for reading in later life be cultivated.

## VISUAL EDUCATION

For the third year I have shown educational motion pictures in the schools, a total of 40 reels having been shown in 1926. All schools save Bryant's Corner, where no service wire is available, have enjoyed this modern feature of school life. The dark curtains put up in the Gardner School auditorium and in the one-room schools, have made daylight movies possible. This service, though greatly increasing the work of the superintendent, is much appreciated by the children.

## THE SPECIAL TEACHERS

The work in Music and in Drawing is proceeding with excellent results under the efficient leadership of Miss Ruth B. Eddy and Mrs. Elizabeth Frost, respectively. School orchestras are very popular today, even in elementary schools. Graduates of our schools are taking prominent places in high school orchestras in Fall River and Somerset. A visit to our schools will reveal much hand work of an artistic nature that is posted on the walls of every room. I refer you to the reports of these teachers for the details of their work during the past year.

## HEALTH PROGRAM

The annual fall examination of our school children by Dr. Hilton, assisted by Mrs. Esther M. Young merely shows the department where defects are discovered. The best results of these examinations are obtained when the parents cooperate with the nurse to have the defects corrected. In the schools health habits are taught, and children are trained to be healthy, but the work goes for naught in the case of children whose diseased tonsils and glands, as well as defective teeth are not attended to in early life. The importance of health work cannot be overestimated. As some one has said, "It is useless to teach the '3 R's if the child is not going to grow up to use them." I refer you to the reports of Dr. Hilton and Mrs. Young for the details of their work.

## HIGH SCHOOL EDUCATION

It is gratifying to note that a far larger number of pupils are attending high school in Fall River, Somerset and Warren than in previous years. Although the transportation is tedious, twenty pupils are attending Somerset High School.

For the first year in the new Joseph Case High School to be opened in September 1927, I recommend the putting in

of the first two years, only. As the pupils in the two upper classes, 36 in Fall River and 5 at Somerset High School, have selected special courses that it would be difficult to duplicate in a new school without the expenditure of large sums for equipment and for special teachers who would of necessity have small classes, thus entailing a high per pupil cost for instruction, it would be only fair to them and economical for the town to permit them to finish their courses.

From the State Annual Report of the Department of Education, I find that the net cost of high school education last year was $12,180.04 for the town of Swansea or $213.68 per pupil. If the 85 pupils now in high school were to continue for another year at this same rate, it would cost the town, $18,162.80 for high school expenses.

There is no doubt that the cost of maintaining the local high school when it is on a four year basis in 1929 will be far less than $18,000.00. It is costing our neighbor, the town of Somerset, about $12,000 per year to run its high school, although this sum is greatly reduced by reimbursements from the State (which will also come to Swansea when it has its own high school) and from tuition of out of town pupils.

Estimating the prospective enrollment by the pupils the town is providing education for today, we would have in the new Joseph Case Memorial High School:

| | |
|---|---|
| 1927 | 65 pupils on a 2-year basis |
| 1928 | 105 pupils on a 3-year basis |
| 1929 | 140 pupils on a 4-year basis |

The above estimates are variables only, conditioned by the opportunities offered for remunerative work after the fourteen year age is reached and the possibility of out of town tuition pupils.

## MENTALLY RETARDED PUPILS

In June 1926 The Waverley Clinic examined the pupils mentally retarded. Only three of the five examined were found to be three years or more mentally retarded. Of the pupils found metally retarded by the clinic in previous years, many have secured work certificates and the others are scattered through the schools of the town. The problem of gathering into a central school by bus transportation, the pupils mentally three years retarded is a difficult one to solve owing to the wide separation of our schools. At present we are endeavoring to give these pupils special attention in "C" divisions where the classes are large enough to warrant it. It

is, however, the desire of the State Department that these children have an altogether different kind of education, manual, rather than purely academic, introducing woodworking for the boys and domestic science for the girls. At present we have neither the room nor the equipment for such classes.

## THE NEEDS OF THE SCHOOLS

In a five-year period, in a town willing to spend money for good schools, with a School Board ready to meet increasing demands for improvements, it is not surprising that the needs of the schools as listed each year, are gradually met.

Of the four major needs mentioned last year, the first, a new High School, has already been spoken of with much gratification. The second, courses of study for the grades, is being met to some degree by the new State courses. The third, books for school libraries, is being taken care of this month.

For 1927 I would list the following important needs:

1. Adequate Playground Equipment.
2. A Dental Clinic.
3. Modern Pictured Encyclopedias.
4. Indoor Toilets for the Bark St. School.

## CONCLUSION

The schools of our town are economically administered. The cost per pupil in average membership for 1925 was $55.22. This is far lower than our neighbor, Dighton, with $69.04, but higher than Somerset, with $47.92, where the number of pupils per teacher is far larger than in Swansea.

As the number of pupils for which the town provides education increases, the cost of maintenance is bound to increase. Every 30 pupils require a new teacher. Teachers' salaries should not be lower. If the town is to have a permanent corps of professionally trained, experienced teachers, adequate salaries should be paid, salaries commensurate with those paid in towns of a similar size and valuation. To assist towns to pay adequate salary increases the State has now for some years given reimbursements of $100 the first year, $150 the second year and $200 the third year for normal trained teachers. This enables the town to raise salaries $100 per year at a minimum cost of $50 per year per teacher, to the town.

Just as the citizens of the town are improving their homes by installing water systems, electric lights, indoor toilets, new furniture and the like, so the town must modernize its schools in order to keep pace with modern life. This has already been done to a marked degree in Swansea and the

improvements thus effected will give pupils and teachers better working conditions. A progressive policy once launched will be continued as results are obtained in the training of future citizens.

In closing I wish to thank all those who have co-operated with me in my work as superintendent.,

Respectfully submitted,

HORACE FREEMAN BATES,

Superintendent of Schools.

## HONOR ROLL

*School Year* 1925-1926

The figures in parenthethes after each name indicate the number of terms for which each pupil has a perfect record, that is, has been neither absent or tardy.

Bark Street Primary

Kenneth Chase (3), Edward Caetano (1), Earle Chace (2), George Peckham (1), Frank Rapoza (1), Marianna Cardoza (2), Christina Cook (2), Alice Correia (1), Julia Wyimyk (1), Bella Barboza (1), Florence Morro (1).

Bark Street Intermediate

Frank Morro (2), Anna Lynch (2), Delina Moniz (1), Rose Morro (1).

Barneyville

John Gallagher (2), David Acker (2), Howard Ray (1), Frank Sousa (1), Josephine Fortner (1), Adeline Souza (1).

Bryant's Corner

Manuel Benevides (1), Anthony Cestodio (1), Anna Sylvia (1).

Bushee Corner

John Lindberg (1), Joseph Mello (1), Hiram Reynolds (1), Olivia Correia (3), Rosie Souza (1), Ruth Crandall (1).

Center

Paul Lawton (1), Lena Furtado (2), Gladys Lawton (1).

Gardner Grammar

Edwin Krohn (1), Harold Thompson (2), Edward Zimminy (1), William Lindsey (1), Caroline Alves (1), Ruth Manchester (3), Lillian Sneed (1).

Gardner 6 and 7

Muriel Manchester (3), Abbott Cole (3), Warren Midwood (3), John Duffy (1), Edward Hanson (2), Willard Ray (1).

Gardner 5 and 6

Paul Blinn (2), Edmund Pineau (2), Oliver Pineau (3), Margaret Cabral (3), Mildred Ousley (1), Gladys Cheetham (1), Helen Moglia (1).

Gardner 3 and 4

John Baldaia (1), Julian Sizotte (1), Elsie Coons (1), Helen Blinn (1).

Gardner 2 and 3

Raymond Daoust (1), Alfred Hanson (2), Kenneth Hunt (1), Roland Santere (2), Isabel Cabral (3), Dorothy Durfee (1).

Gardner 1 and 2

Donald Burns (1), Rene Senterre (2), Harold Brain (1).

Hortonville

Walter Hall (1), Glenys Baker (1), Doris Mason (1), Eleanor Pearce (1).

Stevens Grammar

Russell Chace (2), Bertrand LePage (3), John Silvia (1), Mary Cardoza (1), Nancy Baker (1), Angelina Correia (1), Charlina Emery (1), Eleanor Emery (3), Ruth Fisk (2), Edna Hayes (2), Loretta Lynch (1), Katherine Murphy (2), Annie Pascoski (1), Ruth Traynor (2).

Stevens Intermediate

Ernest Lawton (3), Robert Lawton (3), Manuel Travers (1), Thomas Bourne (1), Valeda Canuel (3), Dorothy Fisk (2), Eleanor Johnston (3), Lucy Mederios (1), Beatrice Peckham (1), Irene Travers (1), Christyn Adam (1), Barbara Cole (1), Marian Eddy (1).

Stevens Primary

Lionel Canuel (3), Russell Eddy (1), John Omerod (1), Owen Murphy (1), Loretta Canuel (2), Rachel Emery (3), Virginia Mello (2), Ida Omerod (1).

# Report of the Supervisor of Music.

Superintendent H. F. Bates,
Swansea, Mass.

Dear Sir:

As Supervisor of Music in the Swansea Schools, I respectfully submit my second annual report.

The Progressive Music Series was fully installed last year. Every pupil has the advantage of gaining much from his training, grade by grade. Sight reading is one of the activities of the schoolroom and the so-called Song Method of teaching reading has come into general acceptance. Sight singing, song singing, ear training, theory drills—all tend to lay a thorough foundation as step by step the problems are mastered.

It gives me pleasure to state that much progress has been made in the various schools. The pupils of Bryant's Corner and the Bark Street Schools have shown marked improvement both in sight reading and in tone quality.

As the study of Master Composers was started in the fall term of 1925, the grammar grades of the Stevens and the Gardner Schools continned the work in January. The latter part of the month, a Handel and Mozart program was well rendered at the Gardner School and at the Stevens School in April. Beethoven and Mendelssohn were studied in May. Many of the Note books presented for my inspection in June showed excellent work, being characterized by neatness in mounting pictures, in penmanship and in general attention to details.

In November a Schubert program was prepared which was presented at the Gardner School December 3, and at the Stevens School the following week.

Last February an orchestra in the Gardner School became a reality. It consisted of piano, two violins, an alto saxophone, a cornet and drums. This orchestra played in public for the first time, March 19, when the operetta, "Ye Little Olde Folks' Concert" was presented in the school auditorium, the Stevens School orchestra assisting. From part

of the proceeds of this successful affair, instruments for a Toy Orchestra to be used in primary grades were purchased.

April 30 the pupils of the Stevens School gave an exceptionally fine entertainment in the Town Hall, the Gardner School orchestra assisting. The primary pupils, under the very efficient management of Mrs. T. J. Grady, presented "Picnic Day in the Woods", an operetta based upon music in our Book One of the Progressive series. The Toy Orchestra rendered a march. The intermediate and grammar grades united and presented, "A Trip to Melodyland", another operetta based on songs from Books Two and Three, with Miss Elizabeth S. Brown and myself as accompanists.

In June the combined orchestras played very creditably for the graduation exercises.

As last year I have one day a week in the schools, Monday. Besides the regular work in the schools, I have a rehearsal of the Stevens School orchestra from 12:15 to 1:00 P. M., part of the time being used for a beginners' class in violin, organized in November with six members. I also conduct an orchestra rehearsal at the Gardner School at noon every other week.

The selection of suitable records for our school victrolas is an important matter as "the influence of good or pure music is too great to be lightly regarded."

"Educators have been led to recognize the educational value of Music Appreciation and lessons in listening to music have been generally accepted as an essential part of any effective school music course," and "as listening means thinking of what you hear, listening to music should be treated like listening to anything else. Early in life one should learn that music is something more than an entertainment."

Towards that end the School Department installed "Music Appreciation for Every Child," intermediate grades. Foryt-seven records were purchased to accompany the course. The supervisor has charge of the records that other schools may be benefited. I have introduced the course in both the Gardner and the Stevens Schools, grades six- seven and eight, an average of one lesson in two weeks. Each pupil has a copy of "My Book One" and it becomes his property when finished. The teachers presenting the work are enthusiastic. The class by concentration gains respect for what it is hearing. It is hoped that next fall more records may be available and the course carried on with "My Book Two."

I wish to thank the superintendent and members of the

School Board for their hearty support. The teachers deserve praise for their excellent cooperation in bringing about most gratifying results in music in the Swansea schools.

Respectfully submitted,

RUTH BOSWORTH EDDY,

Music Supervisor.

Swansea, Mass.,
December 21, 1926.

# Report of the Supervisior of Drawing.

H. F. Bates,
Superintendent of Schools,
Dear Sir:

The following report in drawing for the past year I respectfully submit to you.

I wish to commend the teachers for their interest and earnest effort in this direction. The children seem to enjoy thoroughly the weekly drawing periods, and are ever eager to please and obey.

In the lower grades, the aim is to develop the child's drawing vocabulary, so that drawing may become a means of expression in the arithmetic, geography and history classes, thereby making the eye and hand servants of the brain and adding a greater interest to the studies mentioned. Young children receive but little criticism or technical instruction. It seems to me that to work with them and for them and to encourage them by word and example is of far greater value.

The work done during the fall term in the upper grades consists mostly of Nature Drawing. The pupils are taught to see form, and express it simply and directly, also to feel beauty of line, tone and color.

The Thanksgiving and Christmas time suggested work for November and December. The children worked out some splendid projects at this season of the year.

Illustrative, Constructive and Working Drawings are the subjects for the winter term. These give an excellent opportunity to teach the first principles of perspective, and also accuracy and neatness in drawing.

To consider always the needs of the pupils, and to try to meet them in the best way is to prepare our coming men and women to take a helpful part in the world's activities and to increase their range of enjoyment.

In conclusion I wish to extend to the School Committee and Superintendent my sincere thanks for their co-operation.

Respectfully submitted,

MRS. ELIZABETH S. FROST,
Drawing Supervisor.

December 23, 1926.

# Report of the School Nurse.

H. F. Bates,
Superintendent of Schools,
Dear Sir:

In submitting my annual report of the health work in the schools of Swansea, I wish to thank the teaching staff for their co-operation, and the Superintendent, School Board and parents for their wholehearted assistance in making health work what it should be.

The following is a summary of my routine work:

| | |
|---|---|
| No. of days in town | 61 |
| No. of visits to schools | 164 |
| No. of visits to Classrooms | 201 |
| No. of visits to homes | 178 |
| No. of Eye and Ear Tests | 567 |
| No. Weighed and Measured | 946 |
| No. of Pupils examined with Dr. J. D. Hilton | 404 |

I have been working on a regular schedule, spending two days in every six in Swansea. Each teacher has a schedule of my regular visits to her school and extra visits are made when necessary. A school visit usually includes an inspection of pupils and buildings, health talk, consultation with teacher, clerical work on physical record cards and any particular work which needs to be done. Home visits are for information and advice in regard to special cases.

A physical record card is kept in the school for each pupil. This contains a health record from the first and through the eight grade. On this card is recorded the school physician's examination, vaccination, eye and ear record, weight record, contagious diseases, home visits and correction of physical defects.

Notices of physical defects are sent home to parents after examination by the school physician. Notices for defective vision and hearing are sent home to parents. Notices of pediculosis are sent home when cases are dicovered. In most cases a home visit is made and the parent is instructed in

the care of the hair. Derbac soap and combs are sold to the parents at cost.

A Weight Record Chart is kept in each school room and credit is given for correct weight. The children show keen interest in these charts.

Health Posters have been made in all the schools. In some of the schools the children have started to make health scrap books. These are to be taken home at the end of the year.

The First Aid Kits in all the schools are kept supplied with the necessary articles. These have often proven valuable after accidents to the children on the playground.

The Modern Health Crusade was carried on in three rooms this year and certificates given to 60 children for a fifteen-week program.

Nearly every child now owns his own toothbrush as 300 have been sold at cost to all who have desired them.

March 18th a re-examination clinic was held by the State Department of Hygiene for children examined in the previous year, and whose condition was not satisfactory. Of six children examined, five showed marked improvement.

During the first week in June a State Mental Clinic was held and several children, three years or more retarded were examined. Before the Clinic arrived I obtained the histories from teachers and parents.

The September weighing of pupils showed about 10 per cent to be 10 percent or more underweight. This is usually due to physical defects or faulty health habits or both. With the teachers' assistance I try to interest these children in proper health habits.

Nearly all our schools are serving some form of school lunch. These lunches consist of milk, graham crackers or cookies and in a few cases, hot cocoa. These lunches are served at cost and their value to the children is very great. The teachers are worthy of commendation for adding this work to their other duties.

A Dental Clinic would be of great value to the children, many of whom are found to have defective teeth. In the absence of local dentists it is difficult to have these defects corrected.

The purpose of the Health Program in the schools is:

1. To impart health knowledge.

2. To develop health habits.
3. To achieve physical health and the development of the child.
4. To create a health attitude.

With this purpose in view and the larger amount of time to be spent in the town next year, it is my aim to carrry out this health program in greater detail and to bring home to the parents the importance of early correction of physical defects and the forming of good health habits, thus giving to each child that which should be his birthright, "a sound mind in a sound body."

Respectfully submitted,
MRS. ESTHER M. YOUNG, R. N.
School Nurse.

Swansea, Mass.
December 24, 1926.

# Report of School Physician.

To the Superintendent of Schools,
Dear Sir:

Assisted by Mrs. Esther M. Young, school nurse, I made a thorough examination of the school children in October. The report of defects found in the school children is as follows:

| SCHOOL | TEACHER | No. Exam. | Glands | Tonsils 1 | Tonsils 2 | Tonsils 3 | Adenoids | Teeth | Coryza | Nits |
|---|---|---|---|---|---|---|---|---|---|---|
| Gardner | Miss Hilton | 32 | 0 | 1 | 0 | 4 | 3 | 1 | 2 | 2 |
| | Miss Creigh | 28 | 0 | 0 | 2 | 0 | 3 | 2 | 2 | 5 |
| | Mrs. Baxter | 34 | 0 | 0 | 0 | 2 | 1 | 8 | 0 | 3 |
| | Miss Donnelly | 31 | 1 | 1 | 6 | 0 | 1 | 10 | 0 | 2 |
| | Mrs. Lawton | 31 | 0 | 0 | 1 | 1 | 1 | 17 | 0 | 3 |
| | Miss Reagan | 18 | 1 | 0 | 1 | 3 | 2 | 6 | 0 | 0 |
| Stevens | Miss Reardon | 37 | 2 | 0 | 2 | 1 | 5 | 12 | 0 | 3 |
| | Miss Brown | 40 | 2 | 1 | 2 | 3 | 6 | 10 | 0 | 3 |
| | Miss Wiley | 36 | 0 | 1 | 2 | 0 | 1 | 5 | 0 | 1 |
| Bark Street | Miss Tripp | 35 | 0 | 0 | 5 | 1 | 5 | 1 | 0 | 9 |
| | Miss Sullivan | 37 | 0 | 2 | 5 | 0 | 2 | 8 | 5 | 6 |
| Bryant's Corner | Mrs. Pontes | 29 | 0 | 0 | 1 | 3 | 3 | 0 | 0 | 0 |
| Barneyville | Miss Barry | 12 | 0 | 0 | 0 | 0 | 0 | 2 | 0 | 1 |
| Bushee Corner | Miss Kelleher | 30 | 0 | 0 | 3 | 0 | 0 | 5 | 1 | 5 |
| Center | Miss Cole | 26 | 0 | 0 | 0 | 1 | 1 | 7 | 0 | 0 |
| Hortonville | Miss Hall | 21 | 0 | 0 | 0 | 0 | 0 | 2 | 1 | 0 |
| North | Miss Bates | 13 | 0 | 0 | 0 | 1 | 0 | 2 | 1 | 0 |
| | Totals | 490 | 6 | 6 | 30 | 20 | 34 | 98 | 12 | 43 |

The classification of tonsils in three classes indicates the degree of danger. No. 1 being slight cases, No. 2 more serious cases and No. 3 cases needed operations very soon.

Respectfully submitted,

JOHN D. HILTON, M. D.,
School Physician.

December 22, 1926.

# Report of Attendance Officer.

To the Superintendent of Schools,

Dear Sir:

I herewith submit my report as Attendance Officer for the year ending December 31, 1926.

During the year I have received from various schools 18 requests for investigation, 10 from the Stevens School, 4 from the Gardner School, 3 from the Bark Street School and 1 from the Hortonville School.

I have made visits to the homes of children complained of and have taken up their cases with the parents and the children. In each case I have found the parents willing to co-operate with me in rectifying the existing trouble.

Respectfully submitted,

EDWARD B. DOANE,
Attendance Officer.

South Swansea, Mass.,
December 22, 1926.
